**Email:** hammadsiddiqui248@outlook.com
**LinkedIn:** linkedin.com/in/muhammad-hammad-siddiqui
**Address:** House No. 625, Block 15, Ayub Manzil, Karachi

## Objective:

UI/UX designer skilled in creating user-centered designs with Figma and Adobe XD. Experienced in wireframing, prototyping, and user research to deliver intuitive, responsive interfaces. Focused on enhancing usability and delivering seamless digital experiences while staying current with design trends.
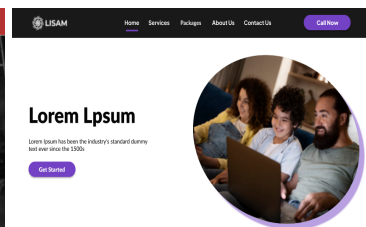

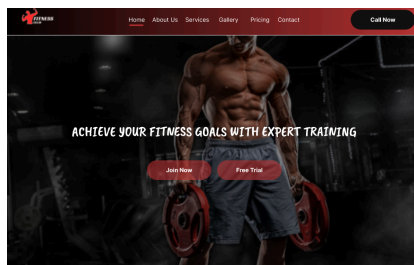

## Education

- BSCS (4th Year), KIET University
- Intermediate From Pre-Engineering as a Private Candidate
- Matriculation in Computer Science, Karachi Public High School (2018)

## Work Experience

- **Junior  UI/ UX & Graphic Designer, LISAM** (Oct 2024 – March 2025)- The main role is to create social media posts, blog, and testimonial images using Adobe Photoshop, create a single-page website UI using Figma, and gain experience on a real-world project.

- **UI/UX Design Internship, Cod Soft** (Mar 2024 – Apr 2024) - I worked on real-world projects, such as a mobile signup flow, email template, and restaurant menu, and I enhanced my skills in HTML, CSS, and Figma.
